S. NOURSE, No. 72 Main street, St. Louis, Manufacturer and Dealer in all kinds rius and Caps, at wholesale and retail. Not ase's Hars.—A few days since we strolled through the extensive hat and cap manufactory of our friend Nourse, at No. 72 Main street, and were surprised at the extensive arrangements for nanufacturing which Mr. N. has in operation. We knew that the hats manufactured in the establishment were elegant in form and finish, but had never before any idea of the maker's method for imparting to them so fine a polish and so fadeless a jet. There is a style, altogether, about the nu-ish of his bats which must make them generally popular. His assortment and stock is unsurpassed in this market, and country dealers should note
